

Vale John McNeil (Course 18, 1964)

Thanks to Richard MacNeil (son of the late Air Commodore John MacNeil), we are fortunate to have a copy of [Chapter Ten – My Next Staff College](#), from John's memoirs, *Before I Forget*, which John published in 2019, just before he lost his sight. May reading John's words about Course 18 in 1964, evoke happy memories of him, and (apart from those who had to live-in) your days at staff college.
