From the President

With Secretary Frank currently overseas and unable to process your responses, please take this abbreviated edition of DS as a warning order for our lunch on Thursday 26 March. While a further edition of DS with the function nomination form will be sent to members later this month, what I can tell you now is that our Association's resources allow us to reduce the attendance cost for this lunch to \$60.

There is no doubt that we are living in interesting times and I expect that between now and 26 March, events both anticipated and those likely to surprise us, will further our anticipation for what we might hear from Professor Clive Williams.

As always, I look forward to seeing all who can attend on Thursday 26 March, and encourage you to monitor our website for earliest advice of any changes to our program and any other news.

Stay well,

Ian
